	For geography, for example, the teacher could suggest that each "piece of art" should contain "symbols" of countries like the Eiffel Tower, the Pisa Tower, a bull for Spain, a mill for Holland, etc… Source: https://commons.wikimedia.org For maths, the task could be to drawn numbers, depict arithmetic problems, etc… For history, the task could be related to historical events, to Columbus´ discovery of America, to prehistorical drawings, etc…. This is a versatile tool, very useful for nearly all subjects.
